

# MRI The Inside Story

from Picture to Proton and beyond...

13-15 May 2025    Basic level Online  
 9-11 Sept 2025    Intermediate level

## OVERVIEW

The May course is over three days aimed at the novice and inexperienced MRI practitioner or for those who want a refresher of the basics.

The Autumn MRI course is a three-day course aimed at the intermediate level and is designed to meet the staff needs by providing the necessary underpinning knowledge, confidence and motivation to support them in their everyday clinical environments. The September course will be delivered online.

For both courses, you will receive the new textbook MRI from Picture to Proton (3<sup>rd</sup> Edition)
