

## Radiographic Assistants and Non Clinical Staff

Two day modular CT and MRI course  
Book either one or two days

14-15 October 2019

This modular two day course is aimed at expanding and updating the knowledge of Radiographic Assistants, support workers and admin staff based in MRI or CT departments. You can attend either one of the days or both days depending on your interest and availability. It is designed to provide a valuable insight into the roles of the various clinical teams, encourage best practice and help you further support your clinical staff. Lectures are delivered by practicing clinical radiographers.
